

# TACKLE

## RUST, CALCIUM AND LIME DEPOSIT REMOVER GROUT CLEANER

### DESCRIPTION

Tackle removes iron, calcium and surface rust stains from glass, chrome, fiberglass, stainless steel, porcelain, cement, brick, stucco, tile, and much more. Removes rust discoloration stains from fabric and carpeting. Removes water deposits in coffeemakers. Excellent grout and tile cleaner. Note: Test product for colorfastness in an inconspicuous area prior to using on fabric or carpet. Avoid prolonged contact on any surface (2 minutes maximum).

### APPLICATIONS

Excellent for use on glass, chrome, fiberglass, stainless steel, porcelain, cement, brick, stucco, tile, toilet bowls, sinks, countertops, bathtubs, shower walls and doors, coffeemakers, fabric and carpet. For use in bathrooms, kitchens, schools, restaurants, industrial facilities, public venues, and many more.

### FEATURES & BENEFITS

- Industrial strength, but safe enough to use in the home
- Works quickly and effectively (limit contact time on any surface to 2 minutes maximum)
- Neutral odor

FORM: Liquid  
ODOR: Neutral  
COLOR: None  
DETERGENCY: N/A  
TOXICITY: N/A  
WETTING ABILITY: N/A  
STORAGE STABILITY: 1 Year +  
COLD STABILITY: 32°F  
PHOSPHATES: None

FLASH POINT: None  
BOILING POINT: 212°F  
SOLUBILITY IN WATER: 100%  
SPECIFIC GRAVITY: 1.07  
% VOLATILE BY VOLUME: 100%  
pH: 1.00  
VISCOSITY: Thin  
EVAPORATION RATE: Slow  
BIODEGRADABILITY: Yes

### LABEL INFORMATION

#### TACKLE REMOVES RUST, CALCIUM AND LIME DEPOSITS

**TACKLE** is a powerful rust, calcium and lime deposit remover. For use on glass, chrome, fiberglass, stainless steel, porcelain, cement, brick, stucco, tile, toilet bowls, sinks, countertops, bathtubs, shower walls and doors, coffeepots, fabric and carpet.

Note: Not for use on granite, natural stone, marble, aluminum, copper or brass.

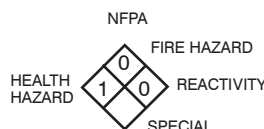

**DIRECTIONS FOR USE:** Test for colorfastness in an inconspicuous area prior to use on fabric or carpet. Avoid prolonged contact time (2 minutes maximum) on any surface. Rinse all treated surfaces thoroughly with water. Not for use on granite, natural stone, marble, aluminum, copper or brass. Apply directly to stains or deposits with a sponge, cloth, or brush. Let stand up to two minutes. Rinse well. **FABRIC AND CARPET:** To remove rust discolorations, apply product directly to stain with a soft cloth. Apply to stain and gently agitate. Wait one minute. Blot with clean cloth to remove stain. Rinse with cold water to neutralize. Launder any clothing immediately after treating. Repeat process prior to drying clothing if necessary. **COFFEE MAKERS:** Mix 1 part Tackle to 8 parts water. Pour into coffeemaker water well and run through a complete cycle. Rinse by running clean water through 4 complete cycles.

**WARNING:** Irritant. Harmful if swallowed. Do not take internally. Avoid contact with eyes. Avoid breathing spray mist. May cause irritation to mucous membranes. Keep out of reach of children.

**FIRST AID:** EXTERNAL: Wash skin with soapy water for 15 minutes. Call physician if irritation persists. INTERNAL: Do not induce vomiting. Drink 3-4 glasses of water followed with milk. Call physician immediately. EYES: Flush with cool water for at least 15 minutes. Call physician immediately.

**Contains (CAS#):** Water (7732-18-5), Organic Acid Salt (Proprietary).
